NUMBER 60

MILAM COUNTY TO GET PLANT SITE?

CITY COUNCIL CALLS FOR ELECTION

Joint Discussions Held Tuesday Night

The main issue of discussion brought before the City Council Tuesday night, June fifth was the building of a municipal building or some structure adequate to house the Cameron Fire Department, Water and Sewer Department and other municipal businesses of the city that is so greatly needed.

At the last meeting of the City Council, plans were presented to the Mayor and the Board of Aldermen, respectively by John Jeter, to rebuild the present fire station with an addition on the adjacent lot at an approximate cost of \$40,000.00 that would also house the city government.

Since that time there has been considerable discussion on the idea by a large number of people in the city on what location would be the most logical place to erect a municipal building for the city.

A number of civic leaders have said they would not favor such a move by the city officials to locate such a building on the present site. Some of the aldermen do not favor the movement.

The city owns the property where the Old School Building is located and the lot known as the City Central Park.

In 1945, Charles C. Smith, Sr., then Mayor of the City of Cameron, created the Cameron Planning Board and to its membership appointed the following citizens; two of whom are now deceased; The late Henry M. Hefley, Chairman, and J. B. White; Dr. Clifford G. Swift, H. H. Stedman, L. F. Gohmert, A. E. Matula, and J. E. Flinn.

The members of the Planning Board accepted their appointment with recognition of the responsibility, and were fully conscious of the opportunity to render a worthwhile service to the City and undertook the difficult task.

The fundamental purpose of the Planning Board was to recommend, after careful analysis of the resources, both of the city and community, a formula of progress to be considered by the council for application for the future growth and progress of the city and community.

The planning board visualized the greatest possible adaptation of resources and effort to go forward with modern progress and to assimilate war veterans to their former respective position in life and employment, as at this particular time many of the veterans were returning home from service in the armed forces.

The board realized the great need for a municipal building, municipal street lighting system, a farmer's market, a school expansion program and other essential developments.

The firemen met Monday night, June 4 and much discussion was held on the location of the building. It was understood that the firemen were divided as to the site for the erection of the new building. A delegation of firemen appeared before the council Tuesday night.

Lions Club Sponsors Building Activity Zaney Blaney Show

Now touring the Southeast, Zaney Blaney, who insists he is the chaziest magician in the world, will present his two hour stage review, FASCINATING MAGIC in Cameron, Tuesday on June 19, in the Yoe High Auditorium at 8:00 P. M.

When Mr. Blaney was confronted of with the question of why he thinks he is crazy, he reasoned this way: "Has anyone else ever defied the law of gravity? Well, I have, and therefore I must be crazy. But people won't believe this until I prove it. Therefore, in two hours of fun on FASCINATING MAGIC, I shall prove beyond the shadow of a doubt that I am the world's craziest magician."

Included in the bill will be Joyce the Cutest Trick in Magic. She is the fascinat' blond whom Blaney will

NATIONAL GUARD TO CAMP POLK

WOUNDED IN ACTION

Pfc. F. W. Mortimer has been wounded in action, according to a telegram received by his wife, Mrs. Helen Mortimer of Cameron. The message came early Wednesday from C. B. Cates, General USM and stated that Pfc. Mortimer was wounded May 31.

Mrs. Mortimer's last letter from her husband was written May 21, saying that he was located at Chunchon, eight miles below the parallel and expected to move up at any time.

Mrs. Mortimer was informed that she would be notified of his condition as soon as possible.

Mrs. Dave Hemenas Buried In Oak Hill

Mrs. Dave Hemenas, 51, died at the St. Edward Hospital, Wednesday, June 6, at 3:30 P. M.

Mrs. Hemenas had been ill for the past three weeks and her condition became serious a few days prior to her death. She was a native of Burleson County but had resided in Milam County for the past 18 years.

Funeral services were held from the Chapel of the Green's Funeral home, Thursday, June 7, at 3 p. m. with Rev. Bob Walker, pastor Battetown Baptist Church, officiating.

Interment was made in Oak Hill Cemetery with Greens Funeral Home directing the arrangements.

Surviving are her husband, Dave Hemenas, her mother, Mrs. Louise Johnson of Santa Rosa, New Mexico, two brothers, Farrel Johnson of Lordsburg, New Mexico and Eddie Johnson of Hugoton, Kansas; five sisters, Mrs. Velma Lanquist of Syracuse, Kansas, Mrs. Lorene Smithson of Clovis, New Mexico, Mrs. Neoma Fahnert of Santa Rosa, New Mexico, Mrs. Armita Tabler of Larned Kansas, and Mrs. Norma Hendley of Farmington, New Mexico.

Building Activity Increases In May

Building permits for the City of Cameron during the month of May totaled \$12,250.00, it was disclosed by City Secretary, Bush Stafford.

This is a substantial increase over last months report of \$6,360.00.

The Coca-Cola Bottling Company made a number of improvements and additions the past month and accounted for a large amount of the permits.

George Hollas who is building a new home also accounted for a considerable amount of the permits on this months report.

It was encouraging to note that more building activity is going on this month, and an additional increase is expected for next month.

A number of small house repair jobs were completed last month in addition to the above major improvements.

Over 600 Tickets On Docket Here

The Police Committee of the City Council has been very active in the past few days, making preparation to enact certain regulations of the meter ordinance and also make an amendment to the ordinance.

August Kunz, chairman of the committee brought before the council Tuesday night, a number of interesting and actual facts about the meters.

First he said the police committee decided to adopt the method used by the City of Temple for collecting the fines that have not been paid; second, he recommended that the city do away with all loading zone signs and place additional meters at those particular places; third, to notify the public through the newspapers, beginning with a specified date that Marshall Terry, officer in charge of meter enforcement will put a ticket on the car or vehicle that is parked in violation of the meter ordinance, immediately and not have to go and run down Mr. and Mrs. Canasta to get a coin to put into the meter unit. (This walking is hard on Mr. Terry's figure.)

Fourth, to extend the meter area to Travis Street, on four sides of the Courthouse, and from North 1st to South 2nd streets. No action was taken by the council on these matters but the committee will meet with the City Attorney, Roy Baskin in the near future and make needed preparations to amend the meter ordinance. There was some mention made that some of the meters would have to be taken up and reset on account of eliminating the loading zones. There was some discussion that a taxi stand would be charged a flat rate per month and the meter in front of the stand be taken up and utilized in some other place in the city.

Mr. Baskin said, "The less you stir around with the meters the better off you're going to be." (I believe Mr. Baskin has something.)

DRUNK DRIVING

Two negroes from Rockdale were tried in County Court here Monday for driving while drunk and each was fined \$50.00 plus cost of court.

They were Horace Cummings and Hubert Mitchell.

Along with the fines their license to drive were suspended for a period of six months.

WINS SCHOLARSHIP

Miss Beverly Ann King, seven, was recently awarded the Dancing Scholarship offered by the Ruth Jane Byrom School of Dancing.

Beverly Ann has been taking ballet and tap dancing lessons for the past year and took part in the dancing recital held May 25 when Mrs. Byrom presented her class in recital.

The scholarship entitles Beverly Ann free dancing lessons for a period of one year. She is the daughter of Jack King of Texas City and makes her home with her aunt and uncle, Mr. and Mrs. Henry Dreyer in Cameron.

Cooling Showers Fall In Cen-Texas

A total of 2.02 inches of rainfall fell here Sunday, it was reported by L. W. Smith, local weather observer.

This needed moisture was welcomed by many farmers and ranchers in this area of the state. The crops have been advancing rapidly but the underground season was not sufficient to endure the hot wetather very much longer.

A number of ranchers had reported that their pastures needed a good soaking rain for their pasturelands to produce enough grass to carry their cattle through the summer months. The rain in the immediate area fell slow and the majority was absorbed in the earth.

Two Whitney residents met death

(Turn To Page Ten)

Plans Completed For 2 Weeks Camp

Preparations are rapidly being completed for the officers and enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion to attend two weeks of National Guard summer camp Camp Polk, La., beginning June 10th, Capt. Rudolph Michalka, the Commanding Officer, announced today.

He said that some of the Battery's equipment, including its half-tracks already is en route to Camp Polk by truck. The rest of its vehicles will be driven through to camp as a part of a convoy on Saturday, June 9th, by members of the unit. Most of the Battery's personnel, however, will make the trip by rail, and will be picked up by a special train coming through Cameron at an early hour on Sunday morning. The Guardsmen will travel in chair cars; they will have a kitchen car for meals en route to camp.

At Camp Polk they will be quartered in barracks and eat in mess halls, so there will be little "roughing it" as was the case in the encampment at North Fort Hood last year. It is reported that PX's, movie theatres and Service Clubs will be open for use by the Guardsmen in their off duty hours.

Battery C is scheduled to return home on June 25th.

Capt. Michalka said that Battery C still has openings for enlisted men, and any young man, 17 to 35, who would like to attend summer camp with the unit should make inquiries at the armory immediately.

Commenting on other Guard developments, he said that Cpl. Johnny L. Balcar will attend the Army's service school, the Anti-aircraft Artillery and Guided Missile Branch of the Artillery School, at Ft. Bliss, Texas, where he will take the Anti-aircraft Artillery Weapons Maintenance Course.

CAR OVERTURNS

Jesse Ford of Dallas lost control of his 1949 Ford Car just within the south city limits of Rosebud and slightly damaged a cleaning shop as the car overturned.

Ford was reported uninjured but his car was considerably damaged even though it was drivable. The accident occurred Monday night at 8:45 p. m.

Aluminum Plant Being Considered

Congressman Bob Poage called the Milam County newspapers early Thursday to say that there is a possibility that Southern Milam County will be the site for a Multi-million dollar ore-reducing aluminum plant.

He said the reason for the location in Milam County is due to the fact that Lignite will be a principle factor.

Rep. Poage was careful to say that the project is not a definite thing at this time but in all probability will be located in the southern part of Milam County.

However, in this mornings Dallas Morning News, late edition, stated that Federal Officials were considering Milano as a highly feasible location for the plant. Engineers of the Texas Power & Light Co. are studying the advantages of using lignite as a source of cheap electricity. The plant will employ around 1,000 people the first year.

Congressman Poage said that this location has been under study and consideration for the past year but the announcement in the Dallas Paper was slightly premature and he had hoped to be able by the middle of next week to make a definite official statement that the plant would be located in this county.

Mr. Poage was in Houston on business Thursday enroute to Waco for a short stop.

Heart Attack Fatal To Night Deputy

Dick Harriss, 52, night deputy marshal, died in St. Edward Hospital at 2:40 A. M. Sunday, June 3, 1951.

Mr. Harriss suffered a heart attack around midnight Saturday night and was found near the Cheeves Brothers Store by Murrell Tucker. Mr. Tucker reported to Mann Arnold, also a night deputy. Mr. Harriss was taken to the hospital where he died about an hour later. He had been working as night deputy for the city for the past fifteen months.

He was a native of Milam County, born in the Clarkson Community August 26, 1898. He was reared in the Clarkson Community and had been a resident of Cameron for the past twenty years. He was well known in the city and county, his service as an employee of the city has been appreciated by a multitude of friends as he was constantly on the job taking care of his responsibilities as an officer. His services will be greatly missed.

Funeral services were held at the First Baptist Church, at 2 P. M. Monday, June 4, with Rev. Percy Corkern, pastor, officiating. Interment was made in Oak Hill Cemetery with Marek-Burns directing the arrangements.

Surviving are his widow, Mrs. Gertrude Harriss of Cameron, his mother, Mrs. A. W. Harriss of Houston, two brothers, Eugene Harriss and O. D. Harriss of Houston. Four nieces also survive.

Pallbearers were Roger Wimberly, John Wimberly, Hugh Wimberly, Joe Richter, Mann Arnold, and Carl Black.

Lawrence Holt Draws Five Years In Prison

Lawrence E. Holt was given a five year prison sentence Tuesday when he was convicted for robbery with firearms.

Holt was charged with holding up the Anderson Liquor Store located on the Temple Highway April 18. He was represented by F. R. Valentine, attorney of Waco.

Holt has been indicted in Williamson County for a similar charge and will be tried in that County soon.

The case went on trial in the District court Tuesday. A jury was impaneled and testimony began early in the day. District Attorney Ed Guan represented the State.

UNIFORMS AT CITIZEN'S NATIONAL

LEFT TO RIGHT— Miss Shirley Horstmann, Mrs. Dell Siebman, Miss Bobbie Burnett, Mrs. Mary Della Haines, Miss Floye Caffey, Miss Pauline Sakewitz, and Miss Doris Jungmann. THE LADIES REALLY HAVE IDEAS. When Ice and Snow covered the Earth and Stockmen were Rustling cattle feed, the bank girls ordered six sets of uniforms, one for each day of the week. Last Monday morning in full regalia they were lined up awaiting Mr. Oxsheer Smith's arrival, to greet him with smiles, a deep bow and "Thank You, Thank You." It was the first he knew that the Bank's Expense account would be tapped for Ladies Clothes. Editor's Note: He is still smiling.

George McGhee Suffers Heart Attack; In Local Hospital

George McGhee, well known Cameron businessman, suffered a heart attack at his home on East 11th, Saturday night.

Mr. McGhee had been ill for several hours prior to the attack. He was taken to the St. Edward Hospital, Sunday morning where he will have to remain for several days.

It was reported Monday morning by Dr. T. E. Crump, attending physician, that he is resting satisfactorily but his condition is still of a serious nature, but is making some progress.

It was hoped by his many friends that he will continue to improve.

ANNOUNCEMENT

Mr. and Mrs. J. D. (Shine) McLane announce the engagement and approaching marriage of their daughter, Minnie Alice, to Cpl. Joseph Becker, Minneapolis, Minn. The wedding will take place, Saturday June 2.

367 Texans Face Draft In July

Austin, May 31—National draft headquarters has called on Texas for 367 men in July, State Selective Service Director Paul Wakefield announced today.

The quota is the smallest Texas has been asked for since the start of the Korean war. It was the State's share for the 15,000-man national quota set earlier this week.

The July call brings to 27,207 the total of Texans called since the start of hostilities in the Far East.

Local Board quotas are presently unavailable at State headquarters.

Local Man Loses Cattle On Highway 190

Rufus Pinchback, a Maysfield negro, escaped possible fatal injury, Sunday night around 9:30, when his car collided with a yearling, belonging to Jim Edwards, on Highway 190 near Maysfield.

The yearling was crushed beneath the vehicle, throwing Pinchback's car sideways.

It was reported to Sheriff Carl C. Black, by Charles Hensley, that another yearling belonging to Mr. Edwards was also killed later in the night. It was discovered later that his cattle had broken out of the pasture and several more were found grazing on the highway. The driver of the later accident was not identified and no account of the second accident was reported.

It surely was the height of something or other when a mother called the police department the other day to order a dozen prints of the picture the officers had taken of her delinquent son.

Lt. Thomas W. Kidd Called Back To Active Duty With Marine Corp

Lt. Thomas Wayland Kidd, son of Mr. and Mrs. Oscar Kidd of Cameron, has been called back to active duty with the Marine Corp.

Lt. Kidd has been employed with the Gulf Oil Company for several years and had been located at Odessa. He volunteered for service with the Marine Corps in 1945 and was located in the States for two and a half years. He will be stationed at Camp Pendleton at Oceanside, California and will leave for that destination within the next several days.

He is a graduate of Yoe High School in the class of 1944 and also a graduate of the University of Texas.

Lt. Kidd is a reader of the Cameron Herald and was a recent visitor at the plant, renewing his subscription and changing his mailing address, while in the service. He spent several days visiting in the home of his parents.

Named Who's Who For Achievements In Nurses Training Hospital

Miss Bessie Nemec, 20, daughter of Mr. and Mrs. Val Nemec of Sharp graduated from Temple Junior College and form Nurses Training school Friday, May 25th.

Miss Nemec, graduate of Sharp High School, immediately entered Temple Junior College after graduation and also took a course in nurses training at Scott and White Hospital in Temple.

She was among nine other girls from Scott and White named on the Who's Who for their fine achievements in training.

She plans to enroll in the Texas University this summer and major in Medicine and eventually become a doctor.

It really goes against our grain to read of all the wheat that is being shipped to Europe

The "man bites dog" story has now been replaced by the one about the bull that threw the salesman.

The annexation resolution ratified when Texas became a state provided that Texas may be divided into five states upon consent of the citizens.

Mrs. Guy Chandler is among the patients ill and in Newon Memorial Hospital

Mr. and Mrs. John Henderson, Jane and John Burns were in Port Arthur for the week end. They attended the wedding of Mr Henderson's nephew there where John Burns was usher at the wedding.

Jerrell Edmonds Is Recommended To Fill Vacancy On Police Force

Jerrell Edmonds, former street policeman has been recommended as night deputy marshal to fill the place made vacant in the department by the death of Dick Harriss Sunday Morning.

Mr. Edmonds has been recommended by City Marshal Joe Richter. The City Council will meet Tuesday night June 5, and officially appoint a night deputy marshal. Mr. Edmonds is a veteran of world War II, serving three years as an MP, two years of which were spent in Germany. His qualifications and ability as an army policeman will enable him to perform his duties with the city in a more efficient manner.

He was born and reared here and is a graduate of Yoe High School.

Knifing Affray Takes Place In Frogtown

A typical weekend knifing affray took place in front of Bubba Nelson Cafe in Frogtown Sunday night, it was reported by Sheriff Carl C. Black.

Lorenzo Jones, Cameron Negro was painfully cut across the rightside of the chest. The affray began when Jones and Leroy Jackson, another negro, got into an argument and Jones threw a beer bottle through the windshield of Jackson's car. Jackson immediately attacked Jones, slashing at him with a knife cutting a deep wound.

He was taken to the Newton Memorial Hospital by a negro companion where he is under treatment. His condition is reported not to be serious.

A. K. Fisher and daughters, Mrs. Dimple Orsag and Mr. and Mrs. Lee Howell and daughter of Waco were guests of Mrs. C. M. Beacham and Mrs. Vera Fisher Shafer Sunday.

The only white vulture found in the world was caught in Texas and is now in a San Antonio zoo.

The name Alamo is derived from the Spanish name for cottonwood, a species of popular tree common in Texas.

When Texas Rangers rounded up all the bad men in Junction City in 1877, there were not enough men left in Kimble county to try them.

Cotton Insect Danger Is Cited By Speaker

Cotton farmers of Texas, Oklahoma, and Louisiana were urged to produce the biggest crop possible in the shortest period of time to protect it against the pink bollworm and other insects.

This advice came from L. F. Curl, division leader, Bureau of Entomology and Plant Quarantine, San Antonio. He spoke before the 57th annual convention of the Nation Oil Mill Superintendents Association in San Antonio.

He urged that the crop be forced because infestation of pink bollworm is already appearing in cotton blooms in the Lower Rio Grande Valley and South Texas as far north as Calhoun, Goliad and Atascosa Counties in the 1951 crop.

"The potential for spread and damage is greater than it ever has been because the infestation is starting off with the initial fruiting of the crop," he declared.

Curl said the only successful insecticide effective against the pink bollworm so far discovered is DDT. He suggested that it be applied weekly.

It's father who is put in the pan if he doesn't bring in the bacon.

When Texans die with their boots on today, the boots usually are on the accelerator.

MACARTHUR'S SCHEDULE

The schedule for General MacArthur's four-day visit to Texas was completed Tuesday.

Mayor J. R. Edwards of Fort Worth received a telegram from the General saying he will visit Fort Worth June 16.

The MacArthur party will travel from Dallas by car and stay in Fort Worth about four hours. Then the group will leave by plane for New York.

At Austin, Houston, San Antonio and Dallas preparations for receiving MacArthur moved forward.

MacArthur will address the Legislature at Austin at 3 P. M. June 13 the day of his arrival from New York.

The following day, he will address a Flag-Day crowd in the 70,000-seat Houston Stadium at Rice Institute.

On June 15, he will visit San Antonio in the morning and Dallas in the afternoon.

Applications Are Being Accepted For Vacancies In T.H.P. Department

Homer Garrison, Jr., Director of The Texas Department of Public Safety announced that applications are being accepted to fill vacancies in the Texas Highway Patrol.

Abbe-bodied young Texas men who are interested in becoming Texas Highway Patrolmen are requested to contact the nearest District Patrol Headquarters for application blanks or write directly to Chief W. J. Elliott, Texas Highway Patrol, at Austin.

Applications must be between the ages of 21 and 35 years, inclusive; at least 5 feet 8 inches in height, with out shoes; and must weigh not less than two pounds or more than three and one-half pounds per inch of height. They must be of excellent moral character; physically able to pass a rigid examination; and must possess a high school education or its equivalent. In addition, they must successfully withstand an exhaustive field investigation; and must have been a resident of Texas for at least one year prior to filing of the application.

According to Garrison, applications will be received and handled until July 10, 1951, at which time the application list will be closed.

Highway Patrol District Offices are located at Austin, Dallas, Abilene, Beaumont, Amarillo, Lubbock, Pecos, San Angelo, San Antonio, Corpus Christi, Houston, Tyler, Harlingen, Ft. Worth and Waco.

Patrol Chief Elliott states that he already has on file a large number of applications but is interested in hearing from other qualified young men who are interested in law enforcement work.

Highway Patrolmen Bring Interesting Program To Rotarians

Captain C. G. Conner, inspector of the Texas Highway Patrol and Captain Don Lawrence, pistol expert of T. H. P. were guests at the Rotary Club Luncheon, Wednesday, May 30.

Captain Conner gave a concise discussion on the work of the Highway Patrol Department and what a good job the department was doing with the 450 men on patrol with the large area they have to cover. He emphasized the safety measures and importance of obeying all highway signs to insure more safety for the motorists.

Captain Lawrence gave an outstanding demonstration of pistol shooting, splitting the blade of a scout knife, a canasta card and other unique demonstrations that the members enjoyed very much. He also shot a hole through a watch belonging to M. G. Cox.

Captain Lawrence and Captain Conner were introduced by Jack Higginbotham, local Highway Patrolman.

Representative Yezak Speaks To Lions Club Here Tuesday

Captain Herman Yezak, representative of Robertson County, was guest speaker at the Lions Club Luncheon, Tuesday May 29.

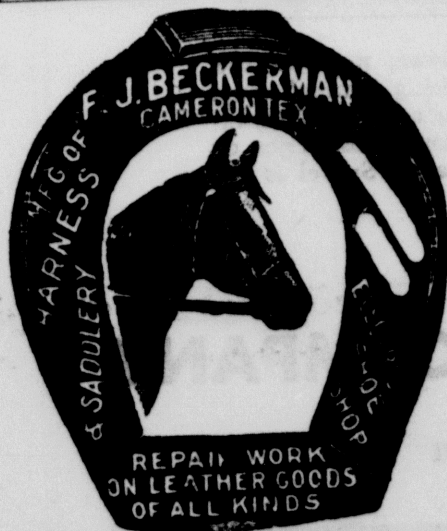

Captain Yezak gave an interesting discussion on the present happenings in the Texas Legislature. He spoke particularly on the Farm Road Bill now before the legislature and said that the representatives were going to stick it out with the senators in getting a tax on the natural gas going out of the state if they have to stay in session until Christmas.

He said that representatives had rented a number of houses and apartments since they are only drawing \$5.00 a day now since the legislature has gone into an extended session.

Captain Yezak, a captain in the Army, has been stationed at Corpus Christi. He was introduced by E. C. Cole who was in charge of the program.

DRIVING WHILE DRUNK

Charlie Von Goten was fined \$50 plus cost of court in County court recently for driving while intoxicated. In addition to his fine his license to drive was suspended for a period of six months.

Texas 4-H Clubs Will Hold Contests At A & M

Texas 4-H Club boys and girls will participate in three new state eliminations programs at College Station this year—in addition to 13 other judging and team demonstration contests conducted in the past.

These contests will be held at Texas A. & M. College on Monday, June 25, in connection with the State 4-H Round-up, which is scheduled for June 26 and 27.

New contests include a soil and water conservation demonstration, a vegetable team demonstration contest and a shrub identification contest.

A. H. Karcher, Jr., assistant state 4-H leader, estimates that approximately 600 boys and girls will compete in the contests. Two teams from each of the 14 Texas Extension Service districts are eligible to compete in each of the programs.

Many of the 4-H teams, with their local leaders, will arrive on the A. & M. campus Sunday, June 24. A religious program, with 4-H members in charge, is planned for Sunday evening.

Lawrence E. Holt Will Go On Trial Here June 5

Lawrence E. Holt, charged with robbery with firearms will go on trial in District Court here Tuesday, June 5.

Holt is charged with holding up the Anderson Liquor store on the Temple Highway April 18. Claude Lewis was managing the store at the time.

Holt will be represented by F. R. Valentine, attorney of Waco.

This is one of the indictments returned by the Grand Jury at a May session.

A jury will be summoned.

Go To Church Sunday.

Two Weeks Vacation Bible School In Progress At Presbyterian Church

The Daily Vacation Bible School at First Presbyterian Church got underway Monday morning, May 28 with Rev. John Solomon as director.

Forty-one have enrolled in the Junior, Primary and Kindergarten Departments and lessons are held from 8:30 to 10:45 A. M. The Bible School will continue through Friday, June 8.

Rev. Solomons is in charge of the Juniors, assisted by Frances Vogel-sang; Mrs. Edwin Adams and Mrs. Aubrey Hightower in charge of the Primaries and Mrs. Anita Schofield and Mrs. Hugh Smith in charge of the Kindergarten class.

From all reports everything is progressing nicely at the school.

Local People Attend Dallas Fashion Market This Week

Mr. and Mrs. W. L. McIntosh and Mrs. W. J. Woods of Cheeves Bros. attended the American Fashion Association's Advance Apparel Market in Dallas last week.

They previewed all the latest 1951 Fall and back-to-school fashions and over 5,000 fashion merchants from seventeen states, and several foreign countries were present at the market.

The main style show, featuring Dallas Models, was held in the Crystal Ballroom of the Baker Hotel. The show previewed new fall colors, fabrics, and silhouettes. Many designers and fashion experts were present to explain all the fall trends for 1951.

Joyce and Jimmy Smalley, daughter and son of Mr. and Mrs. J. D. Smalley of Cameron had their tonsils removed at Newton Memorial Hospital Tuesday and are improving nicely.

Mr. and Mrs. Cage Kennon, Dean and Carol of Rosebud were visitors in Cameron a few hours Monday night.

The collegiate basketball scandals lead us to believe that no dust affects the eyes as much as gold dust.

CARD OF THANKS

We want to express our deep appreciation to all our friends, and relatives for the many kindnesses shown us during the illness and at the death of our beloved husband and father, A. B. Buffington. To those who sent flowers, messages of condolence and prepared food or helped us in any way during our dark hours, we are deeply grateful. Our prayer is that God will bless you always.

The Buffington family

CARD OF THANKS

We are so grateful to all our friends and neighbors for the kindness shown us during our recent bereavement. To those who sent flowers, cards and food and for your help in any way, we shall always be thankful. Your love and devotion has been a comfort to us.

JONES PRAIRIE NEWS

BY MRS. S. S. HICKMAN

Mrs. J. A. McKinney and Ethel McKinney were week end guests of Mr. and Mrs. L. D. Hammock of Taylor. The annual Boswell family reunion was held at the Hammock home Sunday. Mrs. Hammock will be remembered as the former Miss Elsie Boswell, daughter of Rev. and Mrs. W. D. Boswell of Waco who taught in the local school several years ago. She is a niece of Mrs. McKinney and Mrs. E. A. Flinn of Cameron.

Mr. and Mrs. Merlin Lester and children, Merlin, Jr., Joan and James spent the week end with her parents, Mr. and Mrs. D. D. Harriss of Cameron.

Mr. and Mrs. R. K. Fontaine's beautiful new home is nearing completion. It will have all modern conveniences with the exception of the telephone and we are hoping to have them in in the near future.

Mr. and Mrs. I. L. Parker and sons Arthur Lee and Gordon of Milano spent the week end with her parents, Mr. and Mrs. A. L. Burnett.

Mr. and Mrs. T. B. Stidham were Sunday guests of Mr. and Mrs. J. C. Komar of Ben Arnold. Other guests

in the Komar home were their daughter and family, Mr. and Mrs. Jack Stidham of Burnet.

Mr. and Mrs. Marshall Pond of Kingsville spent several days of the past week with Mr. and Mrs. Jack Pond.

Dr. W. J. Fontaine was a business visitor in Cameron Saturday.

Richard Jones, son of Mr. and Mrs. Bailey Jones and one other student have been selected from the First Baptist Church Brotherhood of San Marcos to attend the Ridgecrest State assembly and camp at Glareita, New Mexico for a three weeks special training course.

Mr. and Mrs. W. B. Burnett were Cameron visitors Saturday.

Mr. and Mrs. Dick Young and children, Barbara Jo, Margaret and Paul enjoyed a week end outing of fishing, swimming and boating at Galveston recently.

Terry Bailey of Ft. Worth spent several days the past week with his uncle, Fred Bailey.

Mrs. C. C. Story is attending the summer semester at SWTTC San Marcos. Her daughter, Kay is enrolled at the Academy for a special course.

Capt. Pollie Atkinson is spending a month furlough with her mother, Mrs. W. A. Atkinson before being transferred from Fort Eustis, Va. to foreign duty. She has been given a

three year assignment in Germany. Capt. Atkinson is a nurse in the regular army.

J. R. (Dick) Young is attending classes at A & M College working on his masters degree.

G. W. Roden has returned to his home at Cotton Valley, La. Mr. Roden was general contracted for the R. K. Fontaine home.

H. M. and Billy Yager students at SWTTC, San Marcos spent the week end with their parents, Mr. and Mrs. E. B. Yager. Billy returned for the summer semester. H. M. will spend the summer with his parents here.

Quality Tomatoes Coming In This Year

The Milano Tomato Shed will open Monday, June 4, it was announced by Hinton Pruett.

Milano was fortunate in getting the shed that had been contemplated for Cameron.

Calvin Duncan, representative of the Green Valley Produce Company will operate the shed. No prices have been quoted and just what they will open at depends chiefly on the quality of the product.

The Gause shed opened this week under the supervision of Jim Hogg

and prices were quoted at 6c on No. 1 Greens and 1c on No. 2's. This is a good indication that the crop is extra good and of good quality.

With top quality tomatoes going on the market, there is a great possibility that there will be a heavy demand for Milam County tomatoes and with the present restrictions on the maturity of the tomatoes better produce will be placed on the market and therefore farmers will receive a better price for their fruit.

Harvesting of green tomatoes should get into full swing next week with a good many pinks arriving on the market too.

A few of the farmers who had early patches have already harvested a few bushels of greens but reported that activity would become stronger in the next week or ten days.

The crop this season is a little later than usual, even though weather conditions have been ideal and insect infestation has been light in most sections of the county.

Mr. and Mrs. A. J. Marek and son, Kenneth of Alhambra, California have arrived in Cameron where they plan to visit relatives. They will also visit Buckholts, Milano and other places before returning home. Mrs. Marek is the former Myrtle Beaty and they have many friends here who welcome their visits.

10 Year Guarantee

CONVENIENT, LONGER LASTING SERVEL IS YOUR SAFEST REFRIGERATOR INVESTMENT

Which is the better guide... what someone says about refrigerator dependability, or what is stated on a written guarantee.

The Gas Refrigerator has the longest guarantee of any brand, plus the outstanding features to back it up.

Servel is dependable. Silent. Servel combines marvelous, motorless operation with modern conveniences. And Walter Teague, famous industrial designer, has given Servel sparkling beauty that will never date your kitchen.

These are features you enjoy every day, but they add up to long, satisfactory performance.

Make the safest refrigerator investment. Buy Servel. No other refrigerator is guaranteed ten long years.

If you're looking for a way to hold the line against increasing power and labor costs, look closely at the Allis-Chalmers Model B.

This may be the year to add a second tractor on your farm. With two tractors, you can double up on rush field jobs or keep one tractor in the field while the other is hauling and doing odd jobs. The B will mechanize many chores at low cost — give you more time in the field.

The Model B is recognized as the standard of economy... a down-to-earth tractor at a down-to-earth price. Can it help you cut costs this year? It's an idea worth thinking over. Stop in and talk to us.

SOCIETY IN THE NEWS

Wedding Date Is Set For Miss Mosser And Charles H. Coffield

The wedding date for Miss Suzanne Mosser and Charles Henry Coffield of Rockdale, whose engagement recently was announced, has been set for June 29 and members of their wedding party have been named.

Miss Mosser, daughter of Mr. and Mrs. H. J. Mosser of Fort Worth and her fiancé will be married at 8:20 p. m. in First Methodist Church. A reception afterwards will be held at River Crest Country Club.

The bridegroom-elect is the son of Mr. and Mrs. Hubert H. Coffield of Rockdale. Mr. Coffield will be his son's best man.

The wedding party will be entertained in Dallas June 8 by Miss Nancy Ann Smith, and Messrs. Platter and Kirksmith. The wedding party also will be entertained at a supper dance to be given by Misses McClain, Nelson, Butler and Johnston June 16 at Brookhollow Country Club in Dallas.

Mr. and Mrs. George Wolff will have a party at their home in Ft. Worth for Miss Mosser and her fiancé on June 22. On June 27, Mr. and Mrs. Bruno Graf and Miss Herbert will entertain with a cocktail buffet for the wedding party.

The rehearsal dinner June 28 will be given by Messrs. and Mmes. Durkin, J. Lee Johnson Jr., and J. Lee Johnson III at River Crest Country Club. On the day of the wedding Mr. and Mrs. Carl Aldenhoven will be hosts at a luncheon at the Fort Worth Club for the wedding party and out of town guests.

Janice Walston Is Honored With Party

Janice Walston, daughter of Mrs. Hazel Walston was honored with a birthday party on her 3rd birthday at her home, Thursday night, May 31.

Attending the party were: Nona Ransauer of Galveston, Caroline Lester and James Shelton, Alvin Heftt, Jr., Nancy Baker, Bobbie Jones, La-Trell Coward, John Gregory and Trip Walston.

At the conclusion of a number of games the hostess served a refreshment course of ice cream and cake. Each child received a whistle and ball-oon favor.

Among the many nice gifts Janice received a puppy from her father, E. H. Walston, Jr. who was unable to attend the party.

Mrs. Winfield And Son Return From Mexico

Mrs. Adolph Winfield and son, Bennie Ray have returned from a most enjoyable two weeks at Senora, Mexico, where they were guests in the home of Mrs. Winfield's brother, Mr. and Mrs. Louis Taube and family.

While there the Winfields visited near by towns in Mexico and reported a wonderful trip.

Agnes Winfield who has been with the Winfields here several months visited her aunt, Mrs. Sophia Winfield at Austin while Mrs. Winfield and Bennie Ray were in Mexico. She will return to Cameron next week.

Margaret and Olga Taube, daughters of the Taubes at Senora stayed with the Adolph Winfields here in 1949 and attended school at Cameron.

Miss McLane Is Married To Cpl. Joseph Becker

Miss Minnie Alice McLane became the bride of Cpl. Joseph Becker Jr., in a ceremony performed at the office of the Justice of Peace, Temple, at 2 p. m. Saturday, June 2.

Attending the couple were Miss Geraldine Richards of Cameron and Sgt. Wendell Jones of Fort Hood. The bride chose a lovely white street length dress and her accessories were blue and white. Her attendant wore a white street length dress and her accessories were gold and white.

The bride is the daughter of Mr. and Mrs. J. D. (Shine) McLane of Cameron. She was employed at Snow-white Laundry and Dry Cleaning before her marriage.

The groom is the son of Mr. and Mrs. Joseph Becker Sr., of Minneapolis, Minnesota. He has been in the U. S. Army for five years and at present is stationed at Fort Hood.

The couple plan to live in Cameron.

Mrs. Ruby Fogle Is New Worthy Matron

The Order of The Eastern Star held installation ceremonies of new officers Thursday night, May 31.

Virginia Sanders presided in the absence of Worthy Matron, Katherine Chandler who is ill.

An impressive ceremony of "Lights Out" was given by the retiring officers. Those taking part in the installing officers were, Carrie Kuehl, installing officer, Aileen Bonds, installing secretary, Irene Smith, installing chaplain, Eddie Horstmann, installing marshal, and Grace Reid, installing organist.

Mrs. Julia Poole was narrator for the "Let Your Lights So Shine" ceremony, by the newly installed officers. She was also in charge of the presentation of gifts.

The officers retiring ceremony was held immediately after the closing hymn, "God Will Take Care Of You".

The fellowship hour was held at the conclusion of the service in the dining room.

The flowers were arranged by Mrs. Hallie Glass, who used gladioli flowers of yellow, blue and green colors.

The beautiful centerpiece on the dining table was an elaborate spray of red gladioli with Eastern Star colors and a large Styrofoam Star in the center that blended with the unique color scheme. Other arrangements of flowers by Mrs. Glass were used at various points throughout the hall.

New officers installed were Ruby Fogle, Worthy Matron, Grady Allen, Worthy Patron, Lucille Blake, Associate Matron, W. F. North, Associate Patron, Nadine Sapp, secretary, Annie Longmire, treasurer, Johnnie Lee Richards, conductress, Bessie Allen, Associate Conductress.

Appointive officers are as follows: Bertha Massey, Chaplain, Willie McLean, Marshall, Mary Houston, organist, Corrine Massey, Adah, Maude Brogdon, Ruth, Naomi Elliott, Esther, Hattie Wallace, Martha, Faye Allen, Eleca, Hattie Brod, Warder, and Nadine North, Sentinel.

Mr. and Mrs. Charlie Rogers of Rockdale were Sunday dinner guests of Mr. and Mrs. Frank Angell. Mr. Rogers is a brother to Mrs. Angell.

The Rogers also visited in the home of his mother, Mrs. Sudie Rogers here Sunday afternoon.

YARRELLTON NEWS

By MRS. LENA RUSSELL

Mrs. Ardie Schiller of South Elm visited Mrs. Rodney Barker Monday afternoon.

Mr. and Mrs. Fisher Ward and daughter, Ann were Cameron visitors Saturday.

Mrs. Leona Griswold and mother Mrs. Mary Chapman were shopping in Cameron Saturday afternoon.

Mrs. Chas. Russell visited Mrs. Donnie Barrett in Cameron recently.

Mrs. Minnie Russell, Euell and Myrtle visited in the home of Mr. and Mrs. John Dobbs at Normangee recently.

Local Woman Escapes Injury In Car Wreck

Thelma Armstrong escaped possible serious injuries Monday night when she lost control of her automobile and hit a tree four and half miles N. E. of Cameron.

The 1949 Pontiac which she was driving was reported heavily damaged.

Mrs. Armstrong was reported to have suffered only minor bruises and is doing fine.

Mrs. F. E. Jackson and Mrs. Gene Blake of Cameron aunts of Miss Earlyne Josey of Waco have returned home after being with her at Hill-croce Hospital at Waco where she is a patient. Miss Josey had skin grafting at the Hospital this week and is reported doing nicely.

Mr. and Mrs. M. C. Fisher and children fo Rankin have returned to their home after completing a visit in the home of her parents, Mr. and Mrs. John Tindall here.

FIELD REPRESENTATIVE—

FIELD REPRESENTATIVE

Wayne Little, Field Representative for the Texas Farm Bureau Federation for the past two years, will make his headquarters in Curoo, Dewitt County, beginning July 1 and will serve 36 counties in this area, it was announced by Dennis Klein, president of the Milam County Farm Bureau. Milam County will be included in Little's district, Mr. Klein said.

In announcing the fieldman's transfer to this district, Mr. Klein said Little would be able to give Milam county needed assistance in organization work and program and planning activities throughout the year, which will expedite the Farm Bureau program in this County and area.

Marvin Carter, director of organization for the Texas Farm Bureau Federation, in sending Little to this area to work, stated that after July 1 the state organization anticipates the addition of several more fieldmen, and that Texas would be divided into seven areas. Little's district has 29 organized counties in Farm Bureau, with the second largest membership of the seven areas.

The following counties will comprise Little's area: Bell, Blanco, Brazos, Burleson, Burnet, Grimes, Lampasas, Lee, Leon, Llano, Madison, Milam, Robertson, SanSaba, Travis, Walker, Washington, Williamson, Bastrop, Bee, Bexar, Caldwell, Calhoun, Comal, Dewitt, Fayette, Goliad, Gonzales, Guadalupe, Hays, Karnes, Lavaca, Live Oak, Refugio, Victoria, and Wilson.

PMA Has Detailed Loan Information

Secretary of Agriculture Charles F. Brannon announced on November 24, that 1951 cotton crop would be supported at 90 per cent of parity and on February 14, 1951, he set the loan rate at 29.68 cents per pound, basis middling 7-8 inch cotton, or 90 per cent parity at the beginning of the market year August 1, 1951, whichever is the higher.

The final loan rate will be announced about August 1. Should parity as of August 1, be at the present level, the CCC loan rate for the 1951 cotton crop would be about 31.60 cents per pound for Middling 15-16 inch at average location.

Schedules of base loan rates for Middling 15-16 inch cotton, gross weight, by counties and warehouses points will be issued about August 1. Other provisions of the loan programs will be generally similar to the provisions of the 1950 loan program.

Detailed information will be available during the loan period, from warehouses approved for the storage of loan cotton, from lending agencies approved for making loans, and from PMA State and county committees in cotton producing areas.

Scout Leaders Meet With Mrs. Williams

Members of the Girl Scout Council, leaders and Mothers who will assist in the Day Camp to be held at the Wilson-Ledbetter Park June 12-15 met at the home of Mrs. Lester Williams recently.

An over-all program was outlined for the Day Camp and approximately fifty scouts have already registered for the event. Others who wish to register may do so before June 8th which is the deadline for registration.

Council members, leaders and mothers have been working and planning all necessary arrangements in order to make the Day Camp a big success. The scouts recently held their Court of Awards in which a number of scouts received promotions and awards.

Mrs. Williams will be director of the Day Camp and is urging all girl scouts to participate in the three day camp session.

Plans were made at the meeting for all scouts attending the Day Camp to have free physical examinations made at the Milam County Health Unit on Friday, June 8th at 9 A. M. This should encourage more mothers to see that their girls take part in the camp.

J. L. Foster To Operate Shed Here

J. L. Foster, owner and operator of the Foster Produce, will open his tomato shed on Monday, June 4

Mr. Foster said that he would take any pinks or No 1 green tomatoes that farmers might bring in Saturday, since some were maturing this week. He said there are always a few early tomatoes that come in and he will be glad to take care of them.

Mr. Foster said the crop was fine this year and is looking forward to buying top quality tomatoes this season. He said he was happy to offer his shed and services to the tomato producers in the surrounding areas, since there is no other shed to be located here.

Many farmers who are unable to haul their tomatoes to distant markets will be glad to know that Mr. Foster will operate his shed this year. He has operated a shed here for the past several years and has had years of experience in grading and buying tomatoes. He ships several cargoes each season to northern and eastern markets.

There is a great possibility that a number of vans and trucks will be in this area for tomatoes within the next week or ten days as the Milam County tomatoes are popular with out-of-state buyers.

The quality of tomatoes this season is the best in several years and with such quality, a good price is being expected by the producers. The valley tomato harvest is about over and the demand for good matured tomatoes should be heavy and this fact should be highly forceable in stimulating the price situation.

A number of farmers in this area have indicated that dividends from their tomato crop should be good this year as everything else is at a high level and tomatoes should maintain a good price throughout the season. Sometimes there is a tendency on the part of buyers to try and lower the market on good quality produce on account of a good crop being harvested. Nothing should be done to take advantage of the producers as they have to bear the major portion of the expense before consumption.

With such good prospects of a good crop, commerce and trade in the immediate area should begin to pick up.

Rites For Dr. Klatt Held In Galveston

Dr. Emil H. Klatt, Sr., 51, general practitioner in Galveston for 24 years and assistant professor of dermatology and syphilology at the medical school, died of a heart attack Monday. He was a staff doctor at St. Mary's Infirmary.

He was the son of Mrs. J. Guggolz of Cameron.

Dr. Klatt worked during the summer months of 1921 and 1922 with the late Dr. W. R. Newton Sr., and Dr. Edward Rischer at the Cameron Hospital. He also worked at the Cameron Ice & Cold Storage during the summer of 1920.

He was graduated from the medical school with honors in 1926. He spent the next year interning at John Sealy Hospital. In 1927 he was appointed to the assistant professorship and has held the position since that time.

After completing high school in Teague (he attended East Central Normal College in Oklahoma and then entered the University of Texas in Austin, where he received his degree in 1922).

He began medical practice in Galveston with Dr. W. E. Huddleston and at the same time was associate director for the American National Insurance Company.

During the First World War he served as a private in the army.

He was president of the Galveston County Medical Society in 1944. In 1943 he was honored by the Scottish Rites bodies when he was elected to receive the honorary degree of knight commander of the court of honor by the supreme council, southern jurisdiction at Washington.

He was a member of the Galveston Country Club, the Bayou Club and the Chamber of Commerce.

On May 7, 1927, he married Frances Elizabeth Armstrong, daughter of the late Judge William T. Armstrong.

In addition to his wife he is survived by a son, Emil H. Klatt, Jr., of Austin; his mother, Mrs. J. Guggolz of Cameron; a sister, Mrs. Cecil Bar-more of Bryan and a grandson, Eric William Klatt of Austin.

Funeral services were held in Galveston on Tuesday, May 29 with interment in a Galveston Cemetery.

Monroe Fuchs, son of Mr. and Mrs. Leo Fuchs of Cameron is attending a poultry short course being held at A & M College this week.

Mr. and Mrs. August Horelica and baby son of Houston are visiting in Cameron this week on vacation.

The Cameron Herald

Thursday June 7, 1951

Home Demonstration News By Mrs. Alford

Five 4-H adult leaders and nine 4-H girls and one ex-4-H girl, met at the Home Demonstration Agent's office in Cameron, at 1 p. m. June 4, for a planning meeting. Three of the six Milam County 4-H clubs were represented.

The group met to plan for the 4-H Encampment which will be held June 19-20 at Coffield's Ranch, in the Friendship Community. Plans were formulated for approximately 70 girls. Foods and recreation was planned for, in addition to the cost of camping per member.

On June 6-7, Mrs. Alford, Home Demonstration Agent, attended a work Simplification Training School in Llano, Texas. Mrs. Florence Low, Home Management Specialist from College Station conducted the Training School. It proved to be very interesting and worth while during these busy times.

The Bethlehem Home Demonstration Club met on Tuesday afternoon with Mrs. Theo Fuchs acting hostess.

The Clarkson Home Demonstration Club meets with Mrs. John Matyastik on Thursday afternoon, June 7.

June 11-13 is one of the big moments for three Milam County 4-H Club girls. Marian Fuchs, Jacquelyn Links, Joyce Eledge and Mrs. Carl Linke will motor with Mrs. Bertie Alford, Home Demonstration Agent, to Buchanan Dam for a 3 day 4-H District Encampment. The girls enjoy this fellowship with girls from 16 other counties.

Big Crowd Attends Milam County Day At Blackland Station

More than 150 Milam County farmers attended the annual county field day at the Blackland Experiment Station May 31. This tour is sponsored each year by the Crops and Livestock Committees of the Cameron Chamber of Commerce. Dr. J. R. Johnston, Superintendent of the station, had charge of the tour and pointed out crops and grasses as they should fit in with livestock for the average Central Texas farm. Making permanent pastures out of waterways and other so-called wasteland can bring in extra income to farmers by stocking these areas with cattle. Dr. Johnston recommended Kentucky 31 Rescue grass as a cool season grass and King Ranch Bluestone, or Buffalo grass as a warm season grass to use in the pasture program.

Cropping systems for cultivated land as recommended by Dr. Johnston include the following: on class I land, two years of row crop and one year of small grain and legume; on class II land, one year of row crop, and one year small grain and legume; on class III land, one year of row crop, two years of small grain and legume; on class IV land, small grain and legume only.

Dr. Johnston pointed out that these cropping systems should be properly fertilized. The best results are being obtained by putting 200 to 600 pounds of phosphate under the crops mentioned in the above crop plan. He stressed the point that phosphate should not be put on top of the ground. "The phosphate does not move much from where it is put down, so it is not necessary to put it deep enough so that roots may take advantage of it," he said.

The group saw demonstration plots of cotton set up to study best methods of handling crop residues. Dr. Johnston pointed out that by using stalk shredders, farmers can do a good job of chopping up stalks and other residue. He recommended that all residue be left on the land for best results.

Deep rooted legumes such as Madrid Clover was recommended as a means of increasing the water intake of the soil. Very little water run off during recent rains was evident where deep rooted clovers had been planted preceding row crops.

New oat varieties were shown under study. Difference in soil structure as a result of farming practices for 75 years, compared to land left in permanent pasture emphasized better land use.

The Chamber of Commerce had on file a list of the names of those who attended.

Truck And Money Stolen From The G. W. Hudson Station This Week

W. H. Capp who took \$41 in money and a 1950 Chevrolet truck belonging to C. W. Hudson was picked up at Midlothian, Texas Monday afternoon and is now in Waxachie jail.

Mr. Hudson said Capp had worked at his truck service all day and on closing the business took the entire receipts of the day, all amounting to around \$41.00 dollars and the truck.

Mr. Hudson said opening his business Monday discovered the money and truck had been taken and reported to Sheriff Carl Black.

Capp who had been in Cameron for only a short time had mentioned relatives in Houston and Midlothian. When Capp was picked up it was reported he had about \$20.00 of the stolen money with him.

He will be brought to Cameron and placed in the local jail soon.

S. S. Representative To Be Here June 12.

The Austin office of the Social Security Administration has gone to great lengths in an effort to protect the interest of the people they serve in the 21 county Centex area.

"We recently had our accounting office in Baltimore send us the records of 800-wage earners age 65 or past who had not record of work wages in 1950," stated James B. Marley, manager. "Of this 800, fully 250 to 300 wage earners could have qualified for monthly benefits as of September, 1950. Every one of these wage-earners should file their claims at once to avoid further loss of monthly benefits."

The Austin office will have a representative in Cameron next on June 12th. You can contact him at the Department of Public Welfare at 1:00 P. M.

Mrs. B. F. Shearer of Waco spent the week end with her father, W. O. Fisher and sister, Mr. and Mrs. S. I.

Students May Still Take Selective Service Qualification Tests

Students who were scheduled to take the Selective Service college qualifications test on May 26 and did not due to circumstances beyond their control may get a chance at a later test.

Brigadier General Paul L. Wakefield, state Selective Service director was advised to this effect in a telegram from Major General Lewis B. Hershey, (national director of Selective Service).

Previously test rules made it impossible for any student to take the test if he missed it for any reason.

Text of the official telegram received is as follows:

"Students who were issued tickets for the May 26th test and were precluded from taking test by circumstances beyond their control should immediately write to the Selective Service Examining Section, Educational Testing Service, P. O. Box 586, Princeton, N. J., explaining the circumstances and returning their ticket of admission, if available. New ticket will be issued for later test in deserving cases. Copies of this telegram mailed to local boards this date."

The mess hall of Texas A & M College is the largest permanent mess hall in the world.

Civil Case Ends In District Court Here

A civil case contesting the will of Pauline Smith, deceased, was settled Friday June 1, in favor of the contestant, Willard Smith, contending that Mrs. Pauline Smith at the time of making her will did not have testamentary capacity.

The case went on trial in the District Court, Monday, May 28. A jury was impaneled and testimony began early in the week. Grace and Palmas, attorneys of Hearne and M. G. Cox, Cameron attorney represented the contestant.

The proponents were neices and nephews of the deceased and they were represented by Dickie and Ryan, Houston attorneys.

Robert Riddle Family Leave For New Home In Jal, New Mexico

Mr. and Mrs. Robert Riddle, son, Charles Darrell and two daughters, Patsy Kay and Linda Lee left Friday for Jal, New Mexico where they plan to make their home.

The Riddles are long time residents of Cameron and Mr. Riddle has been with Williams The Plumber here for a number of years. He has accepted a position as a plumber at Jal, New Mexico.

At today's prices women's hats are no longer a laughing matter.

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make your dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflo Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim—you'll find more room—more comfort—

more luxury—a smoother ride—more conveniences—more thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Equipment, accessories, trim and models are subject to change without notice.

MILANO NEWS

Ranson Deen died in a Cameron Hospital the past Tuesday afternoon. Mr. Deen suffered a heart attack at his home Friday afternoon and his death came as a shock to his many friends here. He had not been in the best of health for some time. His survivors include his widow, and three boys, one of which is in Korea. Burial was in the Milano cemetery with Philip and Lucky Funeral Home in charge.

Rev. R. E. Ledbetter attended the annual conference in Houston last week. He will be the new pastor at the Methodist Church another year.

Mrs. J. E. White and Gene made a business trip to Kyle, Texas last Thursday.

Visitors in the home of Mr. and Mrs. E. C. Westbrook recently were their children, Mr. and Mrs. James Brewer and children of Waco, Mr. and Mrs. Eldon Ball and baby of Hutto, E. C. of Leroy, Texas and Garland of Camp Hood.

Mrs. Ida Boggan has returned to her home in Cameron after several day visit here in the home of Mrs. Lessie Boggan.

We are glad to welcome Mr. and Mrs. Vester Boggan of Hearne who recently moved and are living in one of the J. D. Peoples houses recently vacated by Luther Walker.

Guests in the home of Mrs. Grace Tabor and her mother, Mrs. Touchstone were Mr. and Mrs. Clouston of Hearne, Mr. and Mrs. Phillip Banks of Big Springs, Mrs. Ellen Fussell of Shabee, Okla., Mr. and Mrs. Boyd Cereley of Hix, Mr. and Mrs. Samuels of College Station. They attended the funeral of Mr. Deen held here recently.

Mrs. Ellen Deen left Sunday for Galveston where she will spend a few days with her son and family, Mr. and Mrs. Richard Deen. She will also visit in Freeport. She was accompanied by her sister, Mrs. Burnett of Sweeney.

Mrs. R. E. Ledbetter was a visitor of her daughter and family in Austin last week while Rev. Ledbetter was attending a conference in Houston. She was accompanied home by her daughter and children for a few days.

Mrs. Jessie Bankston spent a few days last week in the home of her son, Mr. and Mrs. John Bankston at Houston.

Mr. and Mrs. Hugh Wimerly entertained with a farewell surprise party Thursday night in honor of Mr. and Mrs. Claude Muston who will be moving soon to their new home at Lometa.

ta. Mrs. Muston was a teacher at Milano last year. She has resigned and will teach at Lometa where she was elected for this coming school term.

Teachers leaving Monday for San Marcos were Mrs. Jessie Bankston, Mrs. Willard Peirce, Mrs. Kyle and Charlie Martin. Some of them will go for six weeks and some for three months.

Mrs. Ruth Fussell of San Marcos were here Wednesday to attend the funeral of her brother, Mr. Deen.

Mrs. and Mrs. Blackmon of Bryant attended the Deen funeral here Wednesday.

John Earl Bullock who is in the U. S. Army is here for a visit with his parents, Mr. and Mrs. Joe Bullock.

Mr. and Mrs. Floyd Jackson have returned to their home after a pleasant visit with his parents, Mr. and Mrs. Clyde Jackson and his sister, Mrs. Jack Sewart and family of Rockdale.

Mrs. Maggie Miller has returned home from Cameron where she had been visiting her daughter, Mrs. Elliott and Mrs. Jistel.

Mr. and Mrs. Buck Gillian and new baby of Fort Worth were recent visitors here with relatives.

Mr. and Mrs. Buddie Burk of Austin spent the week end here in their homes and were visiting Mrs. Lila Smith.

CLARKSON NEWS

Mrs. Chuck Branch of Waco visited Miss Kathryn Hauk Tuesday afternoon.

Pfc Harry Chollett is spending a ten day furlough with his parents, Mr. and Mrs. Elo Chollett.

Miss Betty Ann Withers who is attending Durham Business College at Austin visited her father, Mr. Jack Withers and family recently.

Miss Marjorie Ann Murff who attended school at San Marcos is here to spend the summer with her grand parents, Mr. and Mrs. Walker Cox.

Cpl. Billy R. Robbins has completed his basic training as a paratrooper at Ft. Benning, Ga. and is now stationed at Ft. Campbell, Ky. He is spending a two weeks furlough with his parents, Mr. and Mrs. C. S. Robbins. Other guests over the week end were their daughter and children, Mrs. Thomas Burch, Tomie, Jr. Jimmy and Jerry of Waco.

Guests over the week end of Mr. and Mrs. Jim Hauk and Kathryn were Mrs. E. R. Millsap of Sulphur Springs and her son, Pfc Kenneth Millsap and his buddy, Cpl. Charles Meeks of Lackland AFB in San Antonio. Miss Marilee. Huguen of Jones Prairie was a guest on Sunday.

Mr. and Mrs. John Garrett, Mr. and Mrs. Eugene Ballard and children of Waco and Mr. and Mrs. Roy Garrett and children of San Marcos visited Mr. and Mrs. Joe Hauk and family this week.

Mrs. M. H. Behne of Burlington spent a few days in the home of her daughter, Mrs. George Dodd who is recuperating from a recent operation.

Over an inch of rain fell in this community Sunday. A slow soaking rain which will be very beneficial to crops and pasture land.

Mrs. Joe Hauk took her son, Butch to a Waco hospital Tuesday for an examination. He will go to a Fort Worth hospital for treatment in the near future.

Mr. and Mrs. Edgar Wesatske and small daughters, Sarah Ann and Ma-lenda of Plainview have returned to their home after a visit here where they were guests of her parents, Mr. and Mrs. D. S. Wimberly and her sisters, Mrs. J. E. Edwards and Mrs. B. L. Graham. Miss Ann Wimberly returned with them for a short visit.

Restraining Hand — Phyllis Thaxter forbids gunplay in this scene with Randolph Scott in "Fort Worth," new Warner Bros. adventure story filmed in Technicolor.

School Officials Meet Here Monday

The County School Board met in the office of Hinton Pruett, county superintendent, Monday morning, June 4 in regular session.

E. A. Perrin, recently named chairman of the board, presided with the following members present: Paul Fuchs, John Henderson, W. L. Howell, and Weldon Gilchrist.

The only major official business to be taken care of was the appointment of the following trustees: Johnny Yates of Maysfield, Arnold Rummel of Vogelsang, F. W. Patzke of String Prairie, and H. H. Chamberlain of Walkers Creek.

Other routine business was taken care of at the meeting. This was Mr. First meeting at which to preside since being elected chairman of the county board.

Mr. and Mrs. L. E. Thompson, daughter, Patsy, and son Roy, spent the week end visiting his mother and other relatives at Houston and Claudine.

Lizzy Hazelwood is among the patients ill and in St. Edward Hospital for treatment. His many friends wish him a speedy recovery.

Guests in the A. L. Jistel home for the past week end were, Mr. and Mrs. Ervin Klieber and daughter, Shirley Jean of Schulenburg, Milton James Jistel of Austin, Mr. and Mrs. Ray Kurtz and son, Ray Jr., of Cameron and W. C. Keith.

A good way to relieve the monotony of your work is to think of ways to improve it.

OUR APPRECIATION

We want to thank our dear friends for the many kind deeds that they did for us during Mr. Jekel's illness and stay at Newton Memorial Hospital. We are so deeply grateful for those who gave their blood, for the flowers, cards and food. For the many prayers that were said for us, we shall always be grateful.

We are especially grateful to Dr. David Shapiro and the staff of nurses at the hospital for their untiring efforts and tender care. Our sincere prayer is that God will bless each of you.

Mr. and Mrs. Will Jekel.

ANNOUNCING

Mr. and Mrs. Wesley Pratt announce the arrival of Fritz Ernest, born at the St. Edward Hospital, Thursday May 31. The new son weighed 5 pounds and 5 ounces.

Mrs. Pratt is the former Fritzine Sump of Giddings. Both the mother and new son are doing fine. The Pratts have another son, Larry, three years old.

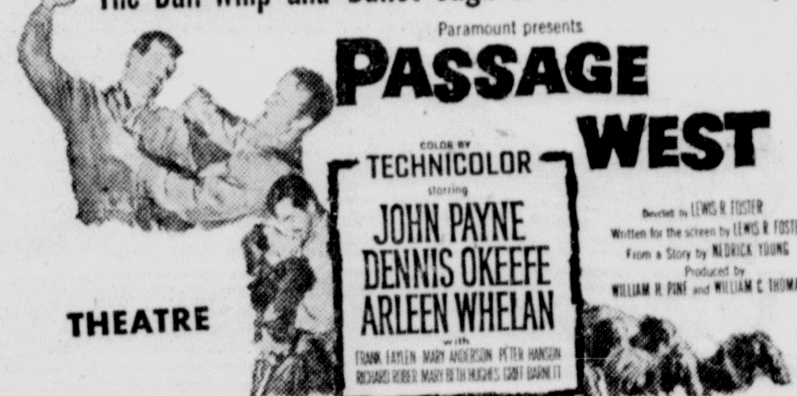

The grandparents are Mr. and Mrs. Ernest Pratt of Marlow and Mr. and Mrs. Fritz Sump of Giddings.

John Hensley Killed In Plane Crash

John Hensley 39 was killed in an airplane crash early Wednesday in East Texas. M. Hensley was the son of Mr. and Mrs. Will Hensley of Milano. He was one of four men who lost their lives in the crash. Names of the other occupants were not available. The plane belonged to Mr. Hensley.

His mother was in Cameron at the time of the accident attending the bedside of a neighbor at a local hospital. Grady Allen accompanied her to her home after hearing about the accident. Mr. Hensley was a cousin of Homer and Grady Allen of Cameron.

Mr. and Mrs. Alvin Dörner and daughter Kathy Jean of Haskell are pending a few days in the home of Mr. and Mrs. Albert Dörner and Mr. and Mrs. Max McCarthy here this week.

Miss Doris Hejl, daughter of V. J. Hejl of Rosebud was one of 669 graduates to receive degrees from Baylor University Sunday. A graduate of Rosebud High School, Miss Hejl received a bachelor of arts degree.

Local Men Attend Masonic Ceremonies At Waco Recently

The first degree ever to be conferred in the New Masonic Temple in Waco was held on Thursday night May 31.

A number of local Masons attended the meeting.

The occasion was the presentation of gift of a silver coffee service to the honorable Leo Hart of Waco, formerly of Gilmer, Texas, as an outstanding Mason now Grand Secretary of the Texas Masons.

The degree was conferred by the Gilmer Degree team. Attending from Cameron were L. W. Smith, J. D. Moore, Milton Schiller, District Deputy Grand Master of 104 district, and S. E. Brogdon.

The shot which started the Texas-Mexican Revolution was fired at Gonzales, Texas on October 2, 1835.

Designated Areas Eligible For Loans

World War II veterans planning
to apply for direct home and farm
loans from the Veterans Administra-
tion were reminded by VA today that
the direct Government loan program
ends by law on June 30, 1951.

VA said it would scarcely be possi-
ble in most instances to process ap-
plications before the June 30 dead-
line that are received by the VA re-
gional offices after June 15.

The Housing Act of 1950 author-
ized VA to make direct loans up to
\$10,000 at 4 per cent interest to
World War II veterans with which to
buy or build a home, or to build a
farmhouse. The act stipulated that
VA was to make these direct loans
in those areas of the country where
the regular GI loans were not avail-
able from private lenders. The law
further required VA to designate the
areas as eligible for direct loans.

Since the program got underway
last summer, more than 2600 coun-
ties or parts of counties in the United
States have been designated as eligible
for direct loans. An estimated 5,000-
000 World War II veterans live in
these designated areas.

As of May 10, about \$90,000,000 of
the \$150,000,000 authorized for the
program had been disbursed or re-
served under pending applications for
direct loans to veterans.

While the direct Government loan
program ends June 30, 1951, the reg-
ular GI loan program does not ex-
pire until July 25, 1957. Both pro-
grams are subject to the same mini-
mum down payments imposed by
the credit controls announced Octo-
ber 12, 1950.

Dr. George T. McMahan, manager
of the Waco VA Center, stated that
the 34 counties served by the Waco
Office have been designated as areas
eligible for direct loans except within
the city limits of Waco, Austin, Tem-
ple, Killeen, Bryan, College Station
and Brownwood.

City Gets New Type Fire Extinguisher

The Cameron Fire Department has
a new fire extinguisher, it was dis-
closed by Frank Richter, city employ-
ee.

The new type of extinguisher is
called the CO-2 and is used for gas
fires, and was used for the first time
last week when the fire department
was summoned to a fire on highway
36 near Milano when a 1942 Chevrol-
et caught fire. The blaze was quickly
distinguished and only a slight wir-

ing damage resulted.
The car belonged to a Fort Hood
soldier whose name was not avail-
able. This new type of fire exten-
guisher will be very helpful for the
department in putting out minor
fires.

Mr. and Mrs. Joe Sevcik and fa-
mily of Buckholts were business vis-
itors in Cameron Tuesday.

The many friends of Will Jekel will
be glad to know that he is much im-
proved and is at home after being a
patient at Newton Memorial Hospital
for several weeks.

Only A Few Flags Fly Here On Memorial Day

Where are all the flags? That was the question that many were asking Wednesday, May 30, which was Memorial Day, a day set aside in memory of the war dead.

There were only five or six flags flying in the business district of the city on Memorial Day and it was reported that only two were flying in Santa Fe Town. Displaying the flags are appropriate expression of respect for those who gave their lives that democracy might be preserved.

"Old Glory" with its stars and stripes should wave everyday as it is the biggest threat to the community element in this country and much concern should be placed on the fact that every individual should be aroused by enough patriotism to put out their flags on such designated days all through the year.

It was reported that a few flags were seen flying in the residential areas of the city which is a good indication that all have not forgotten.

Our men in uniform can fulfill their responsibility for our country better, if they have the assurance that the people at home are doing their job in the proper manner and keep "Old Glory" waving.

Business houses in the city who do not have a flag to fly, or if the one you have is too old or torn, the DAV has an assortment of brand new flags and will be glad to accommodate you, as to the correct size you may need. The prices are very reasonable. It is our duty to fly "Old Glory."

Former Cameron Boy To Participate In Naval Operations In August

Midshipman William Hanes, USNA son of Mr. and Mrs. W. T. Hanes of Cameron, who, beginning August 11, will participate in operation CAMD VI, a combination of amphibious training with aircraft carrier indoctrination and a series of continental air cruises.

He will undergo the amphibious training at the U. S. Naval Amphibious Base, Little Creek, Va., with other midshipmen from the U. S. Naval Air Stations and Air Force Bases to acquaint midshipmen with Naval and Air Force Aviation.

Midshipman Hanes is a graduate of Yoe High School where he took a leading part in Athletic events and other school activities. He attended Baylor University two years before entering the Naval Academy at Annapolis.

At the Battle of San Jacinto, the Texans possessed only two cannons, both six pounders donated by the citizens of Cincinnati, Ohio.

The good things come to those who hustle while they wait.

Melvin Edward Halpain Accidentally Injured Wednesday Afternoon

Melvin Edward Halpain, nine year old son of Mr. and Mrs. Robert Halpain is in the Newton Memorial Hospital, suffering from a fractured pelvis.

Melvin was accidentally run over late Wednesday afternoon. He was riding with his father on a truck, when he jumped off for something. As he attempted to get back on the moving vehicle, he fell under the left side of his body. He received a number of concussions about the head and body.

According to Dr. David Shapiro, attending physician, he also suffered a bruised kidney and the lower part of his chest was bruised. His condition is still serious but it was reported that he is resting satisfactorily. He will have to remain in the hospital for several days.

The Halpain family was returning from the Wiley Farm when the accident occurred and Mr. Halpain did not know his son had jumped off the truck, however the truck was going at a low rate of speed.

Jesse Lowenstein left early Sunday where she plans to visit relatives in New Orleans, Louisiana several weeks.

Thomas Leonard, son of Mr. and Mrs. Horace Leonard is ill and in St. Edward Hospital.

Baptist School Removal Discussed In Dallas

The executive committee of the trustees of Mary Hardin-Baylor College will meet in Dallas Thursday to discuss proposals that the school be moved from Belton.

The meeting originally was scheduled for June 5.

Trustees of the Baptist college for women are considering proposals that the school be merged with the University of Corpus Christi or moved to Houston.

The proposals are being protested by some Belton business and civic interests.

A Belton lawyer said Tuesday that the college would lose about \$160,000 income if it moves from Belton.

M. M. White said in a letter to college trustees that a \$70,000 trust fund from the Claude McBryde estate would go to Baylor University if Mary Hardin-Baylor leaves Belton. The income from the fund goes one-third toward providing an outstanding professor at Mary Hardin-Baylor and two-thirds toward scholarships for worthy girls.

White said two other wills totaling \$90,000 provide that if the school stops operating here, the estates go to Southwestern University at Georgetown.

Copies of a progress report on the college, displayed at a meeting of Houston alumnae Monday night, said the school has an endowment in excess of \$1,450,000 and no debt.

Knights Of Pythias Plan Trip To Orphanage On Sunday June 10

The Knights of Pythias, Milam County Lodge are planning a trip to the Pythian Home at Weatherford on Sunday, June 10th, it was announced by R. J. Woodum, councillor commander.

A committee composed of Chancellor Woodum, Roy Wright and Allan Dodson have contacted members of the lodge to make the trip and a number of cars have already been offered by several members. Members who do not have a way to go may contact either of these men. Families are invited to go along.

The Pythian Home, is under the supervision of Mr. and Mrs. Hugo Horstmann, former Milam County people. They have been at the home for several years and many needed improvements have been added during their stay at the home. Their services and efforts to this orphanage are invaluable and their

work and achievements at the home have gone down in the history of the home as an outstanding record of tribute by two people who have done so much for the orphanage.

Their good deeds and kindness is shown in the christian morale that is expressed by the orphans when visitors call on them.

As many members of the local lod-

FirePower
ACCEPT NO SUBSTITUTES

... because
there
aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

180 HORSEPOWER

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower Finest engine ever put in an automobile

COOLING SHOWERS—

(Continued from front page.)
in a four-car crash at 3 a. m. Sunday cause of which was attributed to highways made slick by rain spilled from murky Central Texas skies.

Waco Sunday received .23 of an inch of rain in a slow drizzle, Dallas and San Antonio were drenched with flooding rains and buffed by hurricane-like winds.

A few scattered showers with warmer temperatures were forecast for this area Monday.

Heaviest rains, measuring up to 6.1 inches at San Antonio and 4.02 inches at Dallas, fell in North and South Texas getting light showers which lasted throughout Sunday.

Dead in the Hill County crash near Peoria are James Laverne Gatlin, 28, and John Phillips, 42, both of Whitney.

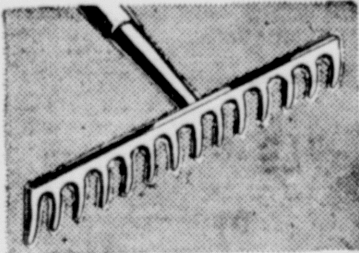

Farmers said the light rain would be of no help to the midget oat crop of Central Texas but would slow down the harvesting a few days. Most oats are "made" and the recent rains have arrived too late to help any.

Temperatures over the State skidded to the 60's with the cool front moving in early Sunday morning.

Rains throughout Central Texas ranged from mere drizzles to 3 inches at Walnut Springs, 2 inches at Meridian and Hillsboro and one inch at Kosse and Bremond, Temple reported 1.2 inches.

El Paso was about the only spot in Texas that reported no rain Sunday.

LIONS CLUB—

(Continued from page one)
hypnotize and cause to float in mid-air, not in a shadowy darkness, but in the open, upon a brilliantly lighted stage, so all may gaze upon the mystery and wonder.

Blaney's crazy attitude toward himself and his entertainment has brought him publicity and recognition in the show world far and wide. He once caused a sensation on television when he set fire to the hat of the show's producer. Before the gentleman could retrieve his hat and put Blaney off the air, the flames had changed into a huge twelve pound bunny, three times the size of the hat. The semibald man ended up thanking Blaney for a terrific show, and admitted that that was the most "hare" his hat had seen in ages.

Blaney recently finished a six months' engagement at the Capitol Theatre in Austin, producing a stage and screen show for children, complete with motion picture celebrities. His current production, "FASCINATING MAGIC" is considered by many as a big advancement in the ever-delightful art of magic.

Tickets may be purchased from members of the Lions Club before the show. There will be a limited number of tickets sold since only one performance is scheduled here.

Mrs. Canasta Complains Of Stench From Storm Sewers; Clean-up Is Needed Here

If you are an early riser, you will get the best effects from the aroma of the downtown storm sewers, it was reported by Mrs. Canasta.

Friday morning, June 1st, Mrs. Canasta came down to work rather early and almost lost her breakfast after several whiffs of the stench.

After several complaints, chairman of the street sewer committee, Robert Weems, was called about the matter and he immediately got in touch with Dr. J. S. Hubert, City Health physician. Mr. Weems said that the Doctor would see that something was done about it right away.

It is getting the time of year for a sanitation drive to get underway and this morning would have been a good time to have begun such a movement. Many of the towns in the coastal area of the state have already begun their summer clean-up programs that are kept up until the fall of the year.

With polio becoming more prevalent each year, it looks like our city officials would realize the advantage of enacting a clean-up campaign during the summer months and at other intervals throughout the year. The solution used to quench the odor of the storm sewers as well as to destroy the existing germs.

Alderman Big Dome realizes this serious matter and promises to say something about it at the next council meeting. Of course he will need the cooperation of the Mayor and other aldermen in order to remedy this situation. It is not a one man's job.

Mr. and Mrs. J. T. Owings and sons of Chicago, Ill are guests here of his parents, Mr. and Mrs. Jack Owings. They are also visiting other relatives and friends here.

Pythians Plan Trip To Orphanage Sunday

James Palasota of Temple, Grand Chancellor of the Knights of Pythias, of Texas, was guest speaker at the meeting of the local Lodge Monday night June 4.

Mr. Palasota who has been active in the work of the organization is well known over the entire state for his ability as a leader in all phases of the work that is carried out by the Knights of Pythias.

O. B. Norman, Grand Lodge officer of Brownwood and two members from the Temple Knight of Pythias Lodge were also guests at the meeting.

The local lodge is arranging transportation for members of the Cameron Lodge and friends to make a trip Sunday June 10th to the Pythian Orphanage at Weatherford.

The committee taking care of the arrangements for the trip is composed of Roy Wright, Allan Dodson and R. J. Woodum.

A large representative from the membership is being urged to make the tour as it will be well worth their time and effort to make the trip and see what progress has been made at the Orphanage in the past few years under the leadership of Hugo and Lina Horstmann.

Bill Arthur Reports To Lions Club On Progress Of Chamber

Bill Arthur, president of the Chamber of Commerce, gave a report of the activities the chamber had accomplished during the past three months, at the Lions Club Luncheon, Tuesday June 5.

Mr. Arthur discussed the aims of the organization and what the chamber proposes to do this year. The many committees of the chamber have been working, preparing and outlining many detailed plans that will take place in the next several months.

The Crops and Conservation Committee of the chamber recently sponsored a tour to the Bilackland Experiment Station. These tours always educate and inform farmers the proper management and care of their soil which is an advantage to any farmer.

The chamber plans many more projects that will be very helpful for the city and surrounding areas.

Heavy Rains Halt Tomato Harvest

J. L. Foster, owner and operator of the Foster Produce Company, said early Monday morning that he bought around 45,000 or 50,000 pounds of tomatoes here Saturday, June 2 and paid prices of 12 cents pink, 7 cents No. 1 green and 2 cents No. 2 greens.

He said since the recent rains, that the market would be open Wednesday if dry weather prevails. He said that the moisture was greatly needed by the tomato producers, particularly at this stage of the growth of the plants and a rain within a week or

ten days might be harmful to the crop.

A large number of tomato producers planned to begin their tomato harvest this week but on account of the rain will have to wait several days as the tomatoes are to watery to be put on the market, however, the majority of them were jubilant over the good rain as it will greatly aid in the maturity of the many tomatoes on the vines now.

Cotton farmers are in need of sunshine and many have indicated that they have sufficient moisture now to make a good cotton crop. Corn crop will soon be maturing and the season for the "good roasting ears" of the local crop will soon be ready and what is better than "Corn on the Cob?"

Large Cluster Of Tomatoes Raised On The Joe Robinson Farm

A cluster of tomatoes weighing 3 1/4 pounds raised on the Joe Robinson farm in the Hanover Community is on display at the Chamber of Commerce.

The cluster contained eight nice full developed tomatoes and two blooms. Mr. Robinson is a well known farmer and carpenter of the Hanover Community and for the last several years has been one of the outstanding tomato producers in that section of the county. He has several acres in tomatoes this year and is expecting a good yield per acre.
